

Zap your way into the Community Arts Center's Ray Gun Design Contest. Inspired by the Art Center's SPACE...Imagine That! exhibit presented by Danville Pediatrics, we encourage you to design your own ray gun! We'll put the ray guns on display and let visitors pick the winners! The kids winner (12 and under) will receive our ray gun wall art display. The adult winner (13 and up) will receive our retro-fabulous Buck Roger's Atomic Pistol painting -- created specifically for this exhibit.

Entries are due February 20<sup>th</sup> at the Community Arts Center, but remember that the longer your ray gun is on display, the better your chances of winning. Only one entry per person is allowed. Store-bought toy ray guns must be sufficiently repainted or modified, but original ray guns are preferred. All entries must be picked up March 10. Entries left past March 10<sup>th</sup> become the property of the Community Arts Center.
